INFORMATION

Except as provided in this paragraph, the term “value” means “the consideration paid or to be paid in money or money’s worth for the realty”. Consideration paid or to be paid in money’s worth includes, but is not limited to, other realty, personal property, stocks, bonds, partnership interest and other intangible property, the forgiveness or cancellation of a debt, the assumption of a debt, and the surrendering of any right. The fair market value of the consideration must be used in calculating the consideration paid in money’s worth. Taxpayers may elect to use the fair market value of the realty being transferred in determining fair market of the consideration. In the case of realty transferred between a corporation, a partnership, or other entity and a stockholder, partner, or owner of the entity, and in the case of realty transferred to a trust or as a distribution to a trust beneficiary, “value” means the realty’s fair market value. A deduction from value is allowed for the amount of any lien or encumbrance existing on the land, tenement, or realty before the transfer and remaining on the land, tenement or realty after the transfer. Taxpayers may elect to use the fair market value for property tax purposes in determining fair market value under the provisions of the law.

Exempted are deeds:

(1) transferring realty in which the value of the realty, as defined in Code Section 12-24-30, is equal to or less than one hundred dollars; Gift;
(2) transferring realty to the federal government or to a state, its agencies and departments, and its political subdivisions, including school districts;
(3) that are otherwise exempted under the laws and Constitution of this State or of the United States; (LLC & Chapter 11)
(4) transferring realty whereby no gain or loss is recognized by reason of Section 1041 of the Internal Revenue Code as defined in Section 12-6-40(A). This exemption will exempt transfers to a spouse and most transfers that are the result of a divorce;
(5) transferring realty in order to partition realty as long as no consideration is paid for the transfer other than the interests in the realty that are being exchanged in order to partition the realty;
(6) transferring an individual grave space at a cemetery owned by a cemetery company licensed under Chapter 55 of Title 39;
(7) that constitute a contract for the sale of timber to be cut;
(8) transferring realty to a corporation, partnership, or a trust in order to become, or as a stockholder, partner, or trust beneficiary of the entity provided no consideration is paid for the transfer other than stock in the corporation, interest in the partnership, beneficiary interest in the trust, or the increase in value in such stock or interest held by the grantor. However, the transfer of realty from a corporation, a partnership, or a trust to a stockholder, partner, or trust beneficiary of the entity is subject to the fee even if the realty is transferred to another corporation, a partnership, or trust;
(9) transferring realty from a family partnership to a partner or from a family trust to a beneficiary, provided no consideration is paid for the transfer other than a reduction the grantor’s interest in the partnership or trust. A “family partnership” is a partnership whose partners are all members of the same family. A “family trust” is a trust, in which the beneficiaries are all members of the same family. The beneficiaries of a family trust may also include charitable entities. “Family” means the grantor and grantor’s spouse, parents, sisters, brothers, grandparents, children, step children, grandchildren and the spouse and lineal descendants of any of the above. A “charitable entity” means an entity which may receive deductible contributions under Section 170 of the Internal Revenue Code as defined in Section 12-6-40(A);
(10) transferring realty in a statutory merger or consolidation from a constituent corporation to the continuing or new corporation;
(11) transferring realty in a merger or consolidation from a constituent partnership to the continuing or new partnership;
(12) that constitute a corrective deed or a quitclaim deed used to confirm title already vested in the grantee, provided that no consideration of any kind is paid or is to be paid under the corrective or quitclaim deed;
(13) Foreclosure - Mortgagor to Mortgagee; or
(14) transferring realty from an agent’s principal in which the realty was purchased with funds of the principal, provided that a notarized document is also filed with the deed that establishes the fact that the agent and principal relationship existed at the time of the original purchaser as well as for the purpose of purchasing realty.
