WHEREAS:

(1) SECTION 5-11-40 (c) of the South Carolina Code of Laws (1976), as amended, provides the authority to prepare an annual budget for all departments and agencies of the City Government; and

(2) The annual budget shall be based upon estimated revenues and shall provide appropriations for City operations and debt service for all City departments; and

(3) Pursuant to the above noted section of the Code of Laws, total funds appropriated in Fiscal Year 2014-2015 for the above purposes shall not exceed estimated revenues and carry forward funds available for expenditure in Fiscal Year 2013-2014.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF GREER, SOUTH CAROLINA, DULY ASSEMBLED THAT:

SECTION 1: Funds appropriated herein are to be expended only in compliance with policies adopted by Council or, at Council's direction, as formulated and implemented by the City Administrator, either existing or adopted.

SECTION 2: The City Administrator is hereby authorized to arrange for the issuance of tax anticipation notes from time to time in anticipation of receipt of taxes by requesting bids for the issuance of such notes from such financial institutions as he shall determine. The aggregate amount of tax anticipation notes authorized hereunder to be issued by the City shall not exceed $3 million. The notes shall be issued in compliance with State and Federal law. At the option of the City Administrator, the City may issue the notes as federally tax-exempt notes or as federally taxable notes. If the notes are issued as federally tax-exempt, then the notes are designated as qualified tax-exempt obligations under Section 265(b) of the Internal Revenue Code of 1986, as amended (the “Code”). If the notes are issued as taxable for federal income tax purposes, then the interest on the notes is not excludable from gross income for federal income tax purposes under Section 103 of the Code. The City Administrator is authorized to award the notes to the financial institution offering the lowest rate of interest to the City and to name the Paying Agent, if any, for the issue without further action of the City Council. The note shall be executed by the Mayor or the City Administrator and be attested by the Municipal Clerk.
SECTION 3: Council reserves the right to amend and alter any appropriation contained herein.

SECTION 4: Appropriations are absolute. Department Heads shall not exceed the line item amounts budgeted without prior approval by the City Administrator. The City Administrator must approve expenditure of contingency funds and transfers between line items within departments. However, contingency funds appropriated to the Mayor and City Council shall only be used at the discretion of the Mayor and City Council by majority vote.

SECTION 5: Expenditures for any department shall not exceed one-fourth (1/4) of its annual budget during each quarter of the budget cycle, except upon prior approval by the City Administrator. The purchase of supplies and repairs must be in accordance with provisions of the City’s purchasing policy and any purchase or order which would obligate the City to continuous charges must be approved by the City Administrator prior to commitment of the City, provided, however, that the Administrator is authorized to purchase used vehicles and equipment from scheduled surplus equipment sales sponsored by City, County, State and Federal governmental agencies, outside of normal purchasing ordinances and procedures of the City. Items shall be purchased with funds from departments to which the equipment will be assigned or at the City Administrator's discretion.

SECTION 6: All non-Federal funds not expended during the Fiscal Year shall accrue to the City’s General Fund for re-allocation during subsequent Fiscal Years. Federal funds which are earmarked shall be carried forward in accordance with Federal mandates. Where no mandate exists, the funds shall be transferred to the City's General Fund for re-appropriation. Individual accounts may be carried forward only upon approval of Council in subsequent budgetary ordinances.

SECTION 7: All revenues provided for by law shall be collected and placed in ordinary City funds to supplement and provide sufficient funds for all ordinary City purposes. No public funds of the City of Greer shall be deposited unless the bank or depository shall pledge to the City Administrator a security equal in value to the funds deposited, after Federal Deposit Insurance Corporation guarantees have been considered. The security shall consist of either a surety bond executed by a licensed surety company, United States Government Bonds, bonds of the State of South Carolina or such other security as shall be approved in writing by a majority of the City Council.

SECTION 8: Such funds as are herein appropriated as City contribution, donation or other support of any City agency or civic organization shall be made available on letter request by such agency or organization, to be disbursed in quarterly payments at the end of each quarter or at the direction of the City Administrator. A copy of the agency’s previous year’s audit shall be filed with the Municipal Clerk prior to such disbursement. An annual memorandum of understanding (MOU) must be submitted to and accepted by the City Administrator identifying the services or benefit(s) provided to the City.

SECTION 9: No property owned by the City of Greer shall be sold or optioned without prior approval of City Council. However, the City Administrator is authorized to trade vehicles and other equipment for subsequent purchases and to conduct periodic auctions and/or sealed bid offers of identified surplus city property.

SECTION 10: Fees collected by all offices shall be remitted to the Finance Department for deposit for general City purposes.
