

8th Annual Upstate SC Law Enforcement Memorial Softball Tournament

For the eighth year in a row, Law Enforcement agencies and public safety personnel from all over the Upstate will be competing in a softball tournament honoring law enforcement officers killed in the line of duty. All money raised goes to support the families of fallen officers in the Upstate of South Carolina!

There will be FUN for the whole family! In addition to exciting softball games, there is a huge playground for the kids. We will sell shirts, raffle prize tickets, and concessions to support the cause.

Plan to join us!

We Need Your Help!

Please consider donating monetarily or donating products/services for our raffle drawing

Help us reach our goal of \$15,000
