

Grading Permit Application

Submit this application with the grading permit fee to an Administrative Clerk at Greer City Hall. Proof of contractor eligibility (i.e. copy of valid contractor's license, business license, general liability insurance, and a copy of contract for commercial work) is required for a permit. You **must** have a valid City of Greer Grading Permit prior to beginning construction. *When work begins, call (864) 848-2150 to schedule an inspection by the COG Storm Water Inspector.*
