A Beautiful Day In The Neighborhood

March 23rd

10:00am

City Hall, Hall C

Come join us for a **Free** morning movie. This month's movie is the Comedy/Fantasy, "**A Beautiful Day In The Neighborhood**".

Lloyd Vogel is tasked with creating a profile of Fred Rogers, the creator and star of the successful children's program Mister Rogers' Neighborhood. He dutifully goes to the studio where his subject is filming his show, and soon enough, he is sitting down with him, asking him probing questions. However, Fred seems to have a different plan in mind. The interviewee suddenly becomes the interviewer, and he starts to help the writer sent for him in unexpected ways.

Rated PG by the Motion Picture Association of America for Mild Language, Mild Thematic Elements and Violence.

Movie Run Time: 1hr 49min
