(See attached Map & Property Description)
AN 20-80 is a request to zone one parcel located along Nature Trail Dr south of the Bent Creek subdivision. The request is to zone the property from Unzoned (Spartanburg County), to R-20, Single-family Residential. The intent is to combine with adjacent parcel for future residential development.

Surrounding land uses and zoning include:

North:       Unzoned, Spartanburg County – Vacant and PD-R, Planned Development Residential, City of Greer – Bent Creek
East:        Unzoned, Spartanburg County – Vacant and single-family residential use
South:       Unzoned, Spartanburg County – Single-family residential use
West:        Greenville County – Single-family residential use and Pelham Falls subdivision

The land use map in the Comprehensive Plan defines the area within the City near the property as Residential Land Use 2. This Community category is generally where most residential subdivisions located across the city may be found. A large majority of the Community residential areas will have this category designation. The density range of these areas is between 2.6 to 4.5 units per acre. There may also be some of the lower density developments who were at one time considered the more rural parts of the community, included in this category.

In accordance with the guidelines set forth in the Comprehensive Plan and after a detailed study of the area, staff supports the proposed zoning request.
