

10th Annual Upstate SC Law Enforcement Memorial Softball Tournament

For the TENTH year in a row, Law Enforcement agencies and public safety personnel from all over the Upstate will be competing in a softball tournament honoring law enforcement officers killed in the line of duty. All money raised goes to support the families of fallen officers in the Upstate of South Carolina!

We will sell shirts, raffle prize tickets, and concessions to support the cause. Plan to join us!

Because of our Upstate community's generosity over the past nine years, we have donated \$28,000 to six fallen officer's families in the Upstate. Gallagher's Army Fallen Officer Fund *matches* every donation we make thereby doubling our impact for a total of **\$56,000** donated to date. All funds raised are saved until the unfortunate time we are called to support a family. Our hope is we perpetually save every penny raised!!
